

Plan Your Way to Collaborative Meetings

Prepare agenda ahead of meeting.

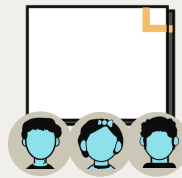

Include:

- updates on previous action items.
- progress on project components.
- anticipated project needs.
- new project developments.

Send to team day of meeting.

So discussion points are fresh

- Morning meeting? Send at COB day before.
- Afternoon meeting? Send first thing in morning.

Encourage team to add items.

- Helps maintain group communication
- Provides visibility for project area needs

Open meeting with agenda overview.

- Give project members additional chance to add meeting items.
